Desk Sensor CHEKOV
CHT BW

338350010-00811023

Connected load	DC
Power consumption	ca. 0,5 W
System of protection	IP 20
Class of protection	III
Housing	White
Minimum ambient temperature	5 °C
Maximum ambient temperature	40 °C
Mounting type	Mounting under table
EAN	4013330135515
Weight (net)	ca. 0,1 kg
Special features	Retrofittable; LED status display; Chekov Desk sensor for mounting under the table Status LEDs to display the status of the workplace: free, occupied, blocOccupancy measurement via PIR sensor WiFi connection for data connection (MQTT) into the LIZ cloud or Bluetooth connection for data connection (MQTT) to the LIZ cloud Including USB connection cable and fastening material Mains voltage: 5 VDC +/- 10% (USB connection) Dimensions (L x W x H): 137 x 108 x 23 mm Protection rating IP20 Protection class SK III Radio operating frequency WiFi, Bluetooth 2.4 GHz NFC, 13.56 MHz for configuration Colour white; Integrated light and presence sensor PIR
